The Dy Comr and the Mun Comr. State finally how an Estimate for Rs 2750 has now been sent? which has not had any professional scrutiny. They recommend that as the Municipality have agreed to execute the work at this cost, they may be allowed to do so, and that Contribution of Rs 500 and the State Grant Contribution of Rs 850 paid to them as work advances, as they expect to collect more contributions while the work is in progress.

May the recommn of the Mun Comr be sanctd?

With reference to Government order No.2613-9/Muz.7[illegible]-13-6 --- dated 3rd February 1921 sanctioning an estimate for Rs.1090/- for the construction of a new building for the Jumma Masjid at Holehonnur --- Shimoga Taluk, I have the honour to forward herewith an alternative estimate for Rs.3750/- for the work prepared by the Mohammedans of the place and received with letter No.T.C.175/24-5 dated 3rd December 1924 from the Deputy Commissioner Shimoga District and to state as follows.

It is reported that as the sanctioned plan was of a mukan and not that of a masjid, the Mohammedans of the place did not approve of the construction of the building as per sanctioned plan and got up a fresh design like the one in Barr-Line at Shimoga, estimated to cost Rs.4300/-. Being unable to contribute such a large amount the ----- devotees have prepared a separate plan and an estimate for Rs.3750/- of their own-neither scrutinized by Public Works Department nor ---- countersigned by the Deputy Commissioner - and request that the State grant of Rs.590/- sanctioned in 1921 together with the contribution of Rs.500/- paid by them may be paid to them- The Deputy Commissioner - and the Sub Division Officer also recommend this course being adopted.

In these circumstances, I beg to recommend that Government may be pleased to permit the construction of the masjid as per plan and estimate prepared by the devotees at their own cost, the Government

grant of Rs.590/- which is stated to have been credited to the institution funds in 1921 vide Comptrollers memo No.568 T.A.D.B dated 15th January 1925 (copy enclosed) being paid in the final -- bill after the work is completed and certified to by the Executive Engineer Shimoga Division. The devotees contribution of Rs.500 deposited in Savings Bank may also be paid to them after the work is begun.

On receipt of Government orders the Deputy Commissioner w be asked to allow the work to be executed by the devotees after obtaining a proper muchalika from them.

The entire file with a copy of the Deputy Commissioner's letter is enclosed for reference and kind return.

I have the honor to be,

Letter No. H.C.175/24-25 dated 3rd December 1924 from the Deputy-Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

"With reference to correspondence ending with Government order No.2618-9/Muz.~~76~~761-18-6 dated the 3rd February 1921 sanctioning an estimate for Rs.1090/- for the construction of a new building for the Jumma Masjid at Holehonnur, Shimoga Taluk, and apportioning the cost as noted in the margin, I have the honor to state that the --

Rs.500/- from the contribution of the devotees deposited in the Savings Bank Account.	the Mahammedans of the -- place did not approve of
Rs.590/- from the State Grant.	

the plan as it was that of a Makan and not of a Masjid. They desired a Masjid after the -- design of the one in the Purasat at Shimoga. The estimated amount for this plan went up to Rs.4,800/- and when called upon by the Amildar to contribute the balance of Rs.3,210/- they have pleaded their inability to do so. They have now prepared a plan and an estimate of their own which comes up to Rs.2,750/-. They are prepared to construct the building themselves according to the plan now prepared by them and only pray that the sum of Rs.590/- kindly sanctioned from the State Grant might be paid to them. The proposal now made by the Mahamedans are quite reasonable and might be accepted. I have visited Holehonnur village and have seen the site and the locality. The plan presented by the Mahamedans quite suitable to the place. The grant was sanctioned so far back as January 1921 from the State Grant of that official year. It might kindly be got renewed and the Comptroller intimated to the effect - payment of the amount for work bills pre-audited in due course. Under the aforesaid unavoidable circumstances the State Grant could not be utilised in time.

The construction of the building will be closely watched and the State Grant will be paid as progress is made.

The connected records are herein returned. The favour of orders is solicited."
